1) Read (thoroughly) the first day handout and syllabus for PH 422. They are available online starting at http://www.physics.orst.edu/ph422. Make sure you find the Daily Notices page.

2) If you are new to the paradigms, you should contact Jeremy to have your picture taken for the website, and to fill out the appropriate permission forms. Otherwise, check the Paradigms homepage and make sure that the correct information is (and isn’t) posted for you.
